Ombre Brows

A gradient fade from light to dark for a beautifully dimensional brow. Soft at the front and defined at the tail — naturally stunning from every angle and suited to all skin types.

From £300 / session

Lip Blush

From HD Lips for bold, defined colour to Sheer Lips for a barely-there tint — our bespoke lip blush treatments enhance your natural tone, restore shape, and create fuller, healthier-looking lips. Wake up every morning with effortlessly beautiful lips.

From £300 / session

6-Week Perfecting Session

Included as part of your treatment journey, this appointment is recommended 6 weeks after your initial session once the skin has fully healed. We refine colour, enhance retention, and adjust any areas to ensure your results are beautifully balanced and long-lasting.

£50 / session

Annual Touch-Up

For existing House of Grace PMU clients only. Once your results have been perfected, an annual colour and shape refresh keeps everything looking its best. Recommended 12–18 months after your perfecting session, or as advised at your appointment.

£150 / session
